See date for BECT below, plus more DEIS chapters.

Don't think you need to review these necessarily - though if we choose not to, it wouldn't be fair for us to raise issues later. Think I need to talk to Kathy Goforth about OFA support, given Laura's late Jan retirement.

Thanks Federico. Did I hear there was a BECT mtg scheduled?

Our NEPA reviewer is retiring shortly so we may have difficulty providing input until she is replaced.
